

## Overview

The AudioCodes **RX-PAD Meeting Room Controller** is a center-of-room intuitive touch controller that provides complete and straightforward access to AudioCodes meeting room solutions.

With its proximity sensor, ergonomic design and 8" high-resolution display, this high-quality controller enables simple and intuitive operation with extensive customization options.

RX-PAD Meeting Room Controller offers innovative features such as one-click-to-join with an integrated calendar for simple collaboration initiation, smooth content sharing and easy camera adjustments, among others.

- ✓ The RX-PAD leverages plug-and-play simplicity to deliver a productive and familiar Microsoft Teams meeting experience requiring connection with just a PoE cable.
- ✓ The RX-PAD functions are readily accessible to all participants with easy access to camera settings via on-screen navigation buttons that put all of AudioCodes' meeting room solutions at your fingertips.
- ✓ The RX-PAD requires pairing to the main MTR unit which runs the Teams Room application on Android
- ✓ Compatible with the AudioCodes RXV80, RXV81 MTR on Android

**The RX-PAD is supported by AudioCodes' One Voice Operations Center (OVOC) Device Manager, enabling IT managers to monitor and upgrade the devices from anywhere.**

**Speedy Collaboration Initiation**  
One-click-to-join for easy collaboration

**"Clean-Desk" PoE**  
A single cable connection keeps your desk clean and tidy

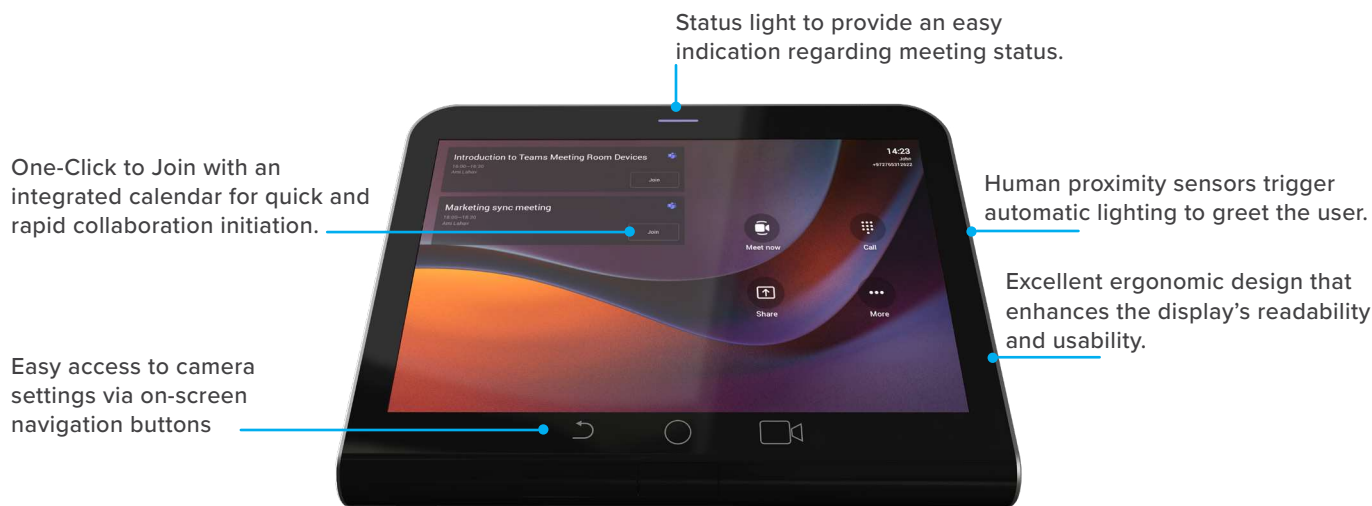

**Inbuilt Calendar**  
An inbuilt calendar to quickly set or join meetings

**Sleek and Ergonomic Design**  
Innovative ergonomic design for seamless operation desk clean and tidy
